October 1, 2026

Dear Exhibitor:

The 2027 Big Sky Regional Ophthalmology CME Conference, sponsored by the Montana Academy of Ophthalmology, will take place Friday, February 5 – Sunday, February 7 at the Yellowstone Conference Center in Big Sky, Montana. We invite you to participate.

The exhibitor prospectus is attached and should include all of the meeting details you need.

The Exhibit Hall will be available to exhibitors for setup Friday afternoon. The conference exhibit hall will open to physician participants at 7 am Saturday morning.

After receiving much positive feedback from Exhibitors in previous years, the Montana Academy of Ophthalmology will again offer booth fees at different price points to fit the needs and size of your company. Review the Gold, Silver, and Bronze Exhibitor options and determine which works best for you. Please complete the online registration form to reserve your company's exhibit booth: [online registration form](#). While our conference takes place at Big Sky and recreation time is built into the agenda for our physicians, neither sponsorship nor exhibit fees are utilized for any recreational activities or events.

If you need me to complete a form or on-line application for the exhibit booth, please email me and I will be happy to complete the required forms.

Our conference is small and intimate with around 30-45 participants and over half of the ophthalmologists in Montana in attendance. We have many general ophthalmologists who attend, but our subspecialty practitioners also attend. It is a great time to network and socialize with Montana, and contingent state, eye physicians and surgeons. There are breaks built into the agenda and our doctors are great about visiting the exhibit hall. Additionally, the evening reception is lively, fun, and includes plenty of opportunity for conversations.

If you have participated in the past, the conference this year will be very similar. If you have never attended a Montana Academy of Ophthalmology CME, please call with any questions or concerns you might have. It is a great opportunity to connect with Ophthalmologists in Montana.

Sincerely,

Nanette Gilbertson
Executive Director
